TROOP GEAR

We will bring some communal items. Several tents and other items are available so a lack of camping gear is no excuse. Just contact the Scoutmaster or Trip Leader to ensure we have enough on hand. Use this checklist to keep track of these items. You are responsible for ensuring they are broken out from the Troop locker before we leave, get into your canoe, get cleaned up, and are returned to the locker ready for reuse.

Dining fly/Poles/Line

Camp Table

The Troop provides Canoes, PFDs, Paddles, and Bailers, but you are welcome to bring your own. Please notify the Trip Leader if bringing a canoe, or if your plans to attend change. We try to have the right number of boats loaded the night before we go.
